Self-Motivated and adaptive 19 year-old with a strong academic background and a passion for learning. Possesses excellent communication and interpersonal skills, with a demonstrated ability to work well both independently and in team settings. Proven track record of taking initiative and achieving goals. Seeking opportunities to apply skills and contribute positively to a dynamic work environment.

## Portfolio website

## HTML CSS AND JS

- The Portfolio website is a personal welcome screen that can be used to showcase your skills and fluency in any language. You can provide a link to your resume in this website, can leave a contact form at the end so that the recruiter can contact you if he/she is interested in your profile.

## KBC: The Quiz Game

# PYTHON

- Successfully completed the KBC: The Quiz Game project, infused with Amitabh Bachchan Sir's voice. This project showcases a wide range of Python's topics, including lists, conditionals, functions, and the Pygame library. The incorporation of Amitabh Bachchan's voice adds an engaging and authentic touch to the game, making it a standout creation.
